

JOIN US FOR THE 2ND ANNUAL EYES & EARS TOY CHALLENGE

We are challenging businesses to join with us in donating new toys to kids in need in Sioux Falls this Christmas!

Challenges are made via social media to donate 15 or more new, unwrapped toys to be distributed for the holidays at multiple local children's organizations.

Contact Midwest ENT or SF Family Vision and accept on social media with the hashtag **#EyesEarsToyChallenge** and a fun staff photo. Then challenge another business to do the same!

Drop off toys anytime before December 14 at Midwest ENT or SF Family Vision. Toys can range from age groups from 0-18.

LET'S MAKE A DIFFERENCE THIS CHRISTMAS!

See below for CHALLENGE RULES.

CHALLENGE RULES:

Once you complete the challenge, please take a video or photo with your staff and the toys you are donating for your Facebook page and post with the hashtag! Then challenge up to 3 new companies to do the same on Facebook by posting this flyer on their page! We must move quickly to get as many SF companies involved in this toy challenge and to bless as many kids as we can this holiday season!

Toys should be dropped off at Sioux Falls Family Vision or Midwest Ear, Nose & Throat by December 14th. Both are located between Western and Louise Avenue on 57th Street. Toys will be distributed to local charities on December 15th! Please contact us through our Facebook pages with any questions!
